Below please find Broadcom Corporation PACs response to a letter from Sarah Juris, Campaign Finance Analyst, Reports Analysis Division, Federal Election Commission dated October 14, 2014 (ID Number: C00477919) (the Letter).

Reference: Amended May Monthly Report (04/01/2014 04/30/2014), Received 06/13/2014

The Letter states: 1. The beginning cash balance of this report does not equal the ending balance of your Amended April Monthly Report (3/1/14 3/31/14), received 5/19/14. Please correct this discrepancy and amend all subsequent report(s) that may be affected by the correction.

Broadcom Corporation PAC response: The amendment of the April Monthly Report affected the beginning cash balance of the Amended May Monthly Report (and all subsequent reports). The beginning cash balance of the Amended May Monthly Report, and all subsequent reports, have been updated and Amended Monthly Reports for May, June, July, August, and September have been filed.

The Letter states: 2. Your calculations for Line 8 appear to be incorrect. Cash on hand at the close of the current reporting period should always equal the closing calendar year to date cash on hand amount. Please provide the corrected total on the Summary Page.

Broadcom Corporation PAC response: Our update to the Amended May Monthly report (as noted in response to item 1) has corrected the Line 8 (cash on hand) number.

The Letter states: 3. Schedule B of your report (see attached) discloses one or more contributions which appear to exceed the limits set forth in the Act.....If any apparently excessive contribution in question was incompletely or incorrectly disclosed, you should amend your original report with clarifying information....

Broadcom Corporation PAC response: Due to an administrative error, two checks written to Friends of Mark Warner (dated 9/15/2010 and 10/21/2010) were erroneously marked in our reporting software as being designated to the general election. The two checks dated 9/15/2010 and 10/21/2010 should have been marked in our reporting software as being designated to the primary election, which is the next election in which the candidate participated. The two reports (October Monthly Report and 30 Day Post-General Report) have been amended to correct the administrative error.
